List of Mentors by Topic

Clinical Genetics

Aditi Parikh, MD, FACMG

Director, Prenatal Counseling, UH Rainbow Babies and Children's Hospital

Director, Genetic Counseling Services, UH Cleveland Medical Center

Clinical Assistant Professor, CWRU School of Medicine

Ed Esplin, MD, PhD, FACMG, FACP

Clinical Geneticist

Invitae

Cancer Genetics

John Mulvihill, MD, FACMG

Professor of Pediatrics

CHF Kimberly V. Talley Chair in Genetics

OU Health Sciences Center

Clinical Cytogenetics

Stuart Schwartz, PhD, FACMG

Strategic Director, Cytogenetics

Women's Health and Genetics

Laboratory Corporation of America

Prenatal Genetics

Cynthia Morton, PhD, FACMG

Kenneth J. Ryan, M.D. Distinguished Chair in Obstetrics and Gynecology and Director of Cytogenetics, Brigham and Women's Hospital

William Lambert Richardson Professor of Obstetrics, Gynecology and Reproductive Biology and of Pathology, Harvard Medical School

Chair in Auditory Genetics, University of Manchester, UK

Biochemical Genetics

Rossana Sanchez Russo, MD, FACMG

Assistant Professor of Human Genetics

Emory University

Department of Human Genetics

Molecular Genetics

Rong Mao, MD, FACMG

Professor of Pathology, University of Utah School of Medicine

Section Chief, Molecular Genetics and Genomics, ARUP Laboratories

Research/ Precision

Noura Abul-Husn, MD, PhD

Associate Professor of Medicine and Genetics

Chief, Division of Genomic Medicine, Department of Medicine

Clinical Director, The Institute for Genomic Health

Icahn School of Medicine at Mount Sinai

Azra Ligon, PhD, FACMG

Chief, BWH Division of Clinical Cytogenetics

Co-Director, HMS AMBGG Fellowship in Laboratory Genetics and Genomics

Co-Director, Center for Advanced Molecular Diagnostics

Brigham and Women's Hospital

Associate Professor of Pathology, Harvard Medical School
